

Sample Third & Fifth Grade Schedules

Sun 11.1.2020

Dear Families,

We are pleased to share with you sample third-grade and fifth-grade student schedules for GH Online! We recognize the vital importance of understanding these draft schedules, envisioning what a day will look like, and considering the classes your student will take.

A few specifics:

- The below 3rd and 5th grade student schedules are in draft form, but we have created them to give a sense of a day-in-the-life and to spark dialogue and conversation with you all.
- During next Wednesday's [FB Live Info Session](#), we will be talking more about these schedules, sharing the intentional decisions within, providing details on what happens during specific courses and windows of time, and discussing the flexibilities inherent within the schedule.
- We want your feedback! Please email us at info@greatheartsonline.org with your thoughts on:
 1. Are there elements we have overlooked, or that you don't understand?
 2. What do you love about this?
 3. What would you change?

Sample 3rd Grade		
	Teacher A - Section 1A (15 students)	Teacher A - Section 1B (15 students)
