

Creating a Parent / Observer Account in Canvas

1. Have your scholar log in to <https://greathearts.instructure.com/>.
2. Ask your scholar to make a pairing code from Account > Settings > Pair With Observer.
Detailed instructions available from <https://community.canvaslms.com/t5/Scholar-Guide/How-do-I-generate-a-pairing-code-for-an-observer-as-a-scholar/ta-p/418>
3. In your browser (Edge, Chrome, etc), please browse to <https://greathearts.instructure.com/register>.
 1. Click the “Parents sign up here” link near the middle of the screen under the two big buttons.
 2. Fill out the form, including the field for the pairing code from your scholar. For more detailed instructions, see <https://community.canvaslms.com/t5/Observer-Guide/How-do-I-sign-up-for-a-Canvas-account-as-a-parent/ta-p/540>.

If you have multiple scholars, repeat the following for your second and subsequent scholar(s).

4. Ask your scholar to log in to <https://greathearts.instructure.com/>
 1. Ask your scholar to make a pairing code.
5. Add the new code from your Account > Settings > Observing link.
For detailed instructions, see: <https://community.canvaslms.com/t5/Observer-Guide/How-do-I-link-a-scholar-to-my-user-account-as-an-observer/ta-p/539>

Shortly after you create a Parent / Observer account, you will be invited to enroll as a student in the Technology Training and Support course. This course will provide both training and technology support resources, such as FAQs and helpful links. A discussion forum is available on this course for peer support and general questions.
